

797 Events Website Changes

Desktop:

1. 797 Events Logo to be in the center
2. Sub Text “**Your Vision... Our Innovation**” bigger and readable font
3. Event Blocks 2 in a row for more visibility and
4. Gallery Grid can be changed to something like this

Mobile:

1. 797 Events Logo looks small make it a bit big

Overall:

1. If login functionality doesn't work remove it from site wide or if it isn't required
2. Update Policy & Privacy Content
3. Update Terms and Conditions Content
4. Hover Effects on Gallery aren't necessary can be replaced with preview in a "Pop Up"
5. Upcoming Events and "2 Upcoming Events" under it looks like a subheading it should indicate that there are two current events going on (visual heirarchy)
6. Change content to latest events and corresponding data also mark the buttons to "Coming Soon"
7. Disable the book now "pop up"
